

Suitable for caravans

Built in PVA polyester

Campion galvanized steel frame 25/22 mm

Sizes from S (786 cm) to ZZ (1235 cm)

Depth 250-300-350 cm + 30 cm canopy

Zip down covers

Mosquito net on each side

Ventilation on the front

Double mudflap

Available in three versions: standard in 250 cm depth, with extra space in 300 cm and also in 350 cm. It is an attractive awning, with a new and refined design and an elegant combination of colors.

The front of this advance consists of 4/6 panels, all removable and interchangeable, 3/4 of them consist of fixed windows and smooth design, the other/s has a sliding door to any position thus offering all the possibilities of transformation. Each side is removable and has a door and a folding window with mosquito net. In the 350 cm model we add a fixed window.
